

The Lydia and Carol Kittner, Lea and Benjamin Davidai
Division of Cardiovascular Medicine and Surgery
Tzafon Medical Center

The Lydia and Carol Kittner, Lea and Benjamin Davidai Division of Cardiovascular Medicine and Surgery at Tzafon Medical Center is one of the leading academic cardiovascular divisions in Israel, known for its state of the art cardiac practice, clinical and basic research, innovation and medical education. Our board certified cardiologists are well trained in the diagnosis and management of coronary artery disease, valvular disease, heart rhythm disorders, cardiomyopathies, advanced heart failure therapies, cardiac imaging, cardiovascular prevention and cardiac rehabilitation. All providers are committed to the highest level of patient care and development of novel technologies and therapies.

Our **Cardiothoracic Surgery department** is recognized for its comprehensive expertise and high volume practice in variety of cardiac, thoracic, esophageal and vascular entities. Our renowned surgeons are committed to clinical innovation and quality improvement along with state of the art patient care. Our expertise in minimally invasive and endovascular practice allows hybrid management of our cardiovascular patients.
